Von Bonnie Bryant : Sidesaddle (Saddle Club series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sidesaddle (Saddle Club series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Book Review Directly From Show JumperVon Ein KundeThere's a new rider at Pine Hollow Stables. Her name is Tiffani. One member of The Saddle Club in particular is having a problem dealing with the newcomer. Carole Hanson and Lisa Atwood think Tiffani's a good rider, but Stevie Lake can't get over her riding gear -- it's pink and covered in lace and frills. On top of that, Stevie just doesn't like Tiffani. It doesn't make sense, but she can't help it. When her boyfriend flirts with the new girl, Stevie stops seeing pink and starts seeing red. And when he praises Tiffani's riding

skills, Stevie goes wild. Suddenly she's in competition with Tiffani and determined to win at all costs -- even if it means learning to jump fences while riding sidesaddle. Stevie's friends are convinced she's lost her mind. But Stevie's determined to "out-girl" Tiffani. She's even bought a fluffy pink sweater!0 von 0 Kunden fanden die folgende Rezension hilfreich. Hidden moralsVon JessicaThis was a good book. It kind of showed Stevie's compitive side. I though it was neat that there was a Tenn. Walking Horse, but what was with the pink breeches? I have been riding scence I was four and I have never seen Pink breeches! i've seen purple, green and some other werid colors but never pink. But anyway you should read this book, it's got some hidden morals in it.PS Bring Back the old covers! These girls look like they have no confedence around horses, or look like they know what there doing. They Don't even look old enough! Plus....would you were that to a barn? What happened to tall boots and breeches?0 von 0 Kunden fanden die folgende Rezension hilfreich. UghVon Ein KundeI think that Bonnie's writing in this book was horrible. The girls are turning childish and stupid. Not to mention, the books are getting unrealistic--pink breeches? Yeah right! And I hate the real people on the cover. They're way too young. Anyways, this was the book that made me decide to stop reading the saddle club series. I used to LOVE them, and it felt kinda like I was growing up with Carole, Lisa, and Stevie, but now the girls just act younger and younger. To make a long story short, I don't recommend this book.

KurzbeschreibungThere's a new rider at Pine Hollow Stables. Her name is Tiffani, with an "i." Carole Hanson and Lisa Atwood think she's a good rider, but Stevie Lake can't get over her riding gearpink and covered in lace and frills. Suddenly Stevie's in competition with Tiffani, determined to win at all costseven if it means learning to jump fences while riding sidesaddle. Stevie's friends are convinced that she has lost her mind. But Stevie's determined to "out-girl" everyone. She's even bought a fluffy, pink sweater.KurzbeschreibungThere's a new rider at Pine Hollow Stables. Her name is Tiffani, with an "i." Carole Hanson and Lisa Atwood think she's a good rider, but Stevie Lake can't get over her riding gearpink and covered in lace and frills. Suddenly Stevie's in competition with Tiffani, determined to win at all costseven if it means learning to jump fences while riding sidesaddle. Stevie's friends are convinced that she has lost her mind. But Stevie's determined to "out-girl" everyone. She's even bought a fluffy, pink sweater.Synopsis When Tiffani comes to Pine Hollow Stables, Stevie finds her a challenge to her winning status and sets out to outdo her in every way possible, even if it means wearing a pink sweater and riding sidesaddle.
