Zu Ende lesen!Von TeddychenGerade habe ich den ersten Teil des Reiseberichts von Savannah Grace beendet. Zu Beginn hatte ich meine Zweifel, ob ich tatsächlich bis zum Ende wrde durchhalten knnen. Zunchst war mir nmlich nicht begreiflich,

wie man als verantwortungsvoller Elternteil seine Kinder nicht nur aus der gewohnten Umgebung reißen sondern auch die Schulbildung so einfach hinten anstellen kann. Nachdem die Reise dann beschlossene Sache und die Familie unterwegs war, waren mir die Passagen, in denen die Autorin ihrem Unmut genau darber Luft macht doch etwas lang. Aber: Je weiter ich gelesen habe, desto mehr hat mich das Buch berzeugt. Das mag zum Einen daran liegen, dass ich mich an die Art, wie die Autorin schreibt, erst gewöhnen musste. Zum Anderen lässt das Buch sehr schnell die Entwicklung der Autorin vom Widerstand gegen die Reise über das Abfinden damit hin zu Freude am Reisen erkennen. Am Meisten fasziniert haben mich die vielen kleinen Anekdoten, die die Autorin immer wieder gekonnt einflechtet. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Good reading and well written story Von Heiner Lok Easy to read book that tells you how a 13/14 year old girl is "forced" in to an 1 year family trip (lasted 4 years in the end) slowly changes her view on life and matures while travelling. At first she tried everything so she wouldn't have to go away from friends and her life as she knew it, but somewhere during the travel she really got into the travel thing. Funny and serious, can't wait to read more about the rest of Savannah's travel experiences.

Kurzbeschreibung unparalleled by anything that could have been written in fiction. Reader Views A most interesting story to tell - the locations and characters come to life. -Writers Digest Sihpromatum (Sip-row-may-tum) is a memoir series of one familys introspective, four-year backpacking adventure. In 2005, 14-year-old Savannah Grace's perfect world is shattered when her mother unexpectedly announces that the family would soon leave everything they know behind to travel the world. Best selling, award winning I Grew My Boobs in China takes the reader through China and Mongolia (the first of 80 countries visited). Nibbling roasted duck tongues in China and being stranded in Mongolias Gobi Desert are just two experiences that contribute to Savannahs exploration of new cultures and to the process of adapting to the world around her.
