This Book Saved Me From a Lifetime of Distorted Mormon Faith Von Nelgin Wiren I was an active Mormon for 48 years. A Christian friend gave me this book and my life will never be the same. Thank God!!! Swindoll breaks down all of the performance-based, legalistic, earn-your-way-to-heaven creed of Mormonism (although not directed at Mormons) and explains faith in God in terms that even a child can understand. This is one of the first books that a Christian

should give to a Mormon friend.0 von 0 Kunden fanden die folgende Rezension hilfreich. Swindoll busts through the "rituals" into Simple FaithVon Ein KundeThis is an important book for all people who desire to live the Christian life without legalism. Swindoll relates in his simple fashion basic truths about who we are as Christians that, although faith is not without its trials, it really is easy - it is us who tend to make things difficult, not God.0 von 0 Kunden fanden die folgende Rezension hilfreich. Oh! That we would all have "Simple Faith", good study.Von dskilpat@alaska.netA very good study for "home groups", sunday morning church study or independent study

KurzbeschreibungTrapped in complicated Christianity? Here's permission to come out of confinement! How did so many people wind up trapped by complicated systems of performance-based faith? Why do we push ourselves past our limits in pursuit of more works than any reasonable Pharisee would have demanded? Must we run at a pace somewhere between maddening and insane to prove we're among the faithful? "No!" is the emphatic answer from best-selling author Chuck Swindoll. In Simple Faith, he shows us how to get free from such arbitrary confinement. He reminds Christians that they serve a God who promised freedom, peace, and rest. And it's everlasting?not exhausting?life, remember? Here at last is an exhilarating invitation to simple faith. Move beyond rat-race Christianity and break the bars calculated to wilt free spirits. A cage is no place for a Christian. Welcome to your wings!KurzbeschreibungTrapped in complicated Christianity? Here's permission to come out of confinement!
