**Von Jean Naggar : Sipping from the Nile: My Exodus from Egypt** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sipping from the Nile: My Exodus from Egypt:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. sehr interessantVon Sophia AlienaMan taucht hier in eine fremde vergangene Welt ein und erlebt mit der Autorin ihre behetete Kindheit und ihren weiteren Lebensweg. Es ist ein Buch, das man gerne liest und das auch lehrreich ist. Ich kann es empfehlen.0 von 1 Kunden fanden die folgende Rezension hilfreich. So war's fr die oberen 3% - so ist es wahrscheinlich auch immer noch fr die reichsten 3%Von ongomboEin gypten was es nicht mehr gibt wird

beschrieben. Ich glaube auch dass es wahrheitsgetreu aus dem Blickwinkel der Autorin geschildert ist. Man darf aber nicht daraus schließen, dass das Leben für Alle in Ägypten so idyllisch war.

**Kurzbeschreibung** Born into a prominent, sophisticated Jewish family who spend time in Europe and live in the Middle East, author Jean Naggars coming of age memoir tells the story of her protected youth in an exotic multicultural milieu. To Naggars her childhood seemed a magical time that would never come to an end. But in 1956, Egyptian President Nassers nationalizing of the Suez Canal set in motion events that would change her life forever. An enchanted way of life suddenly ended by multinational hostilities, her close-knit extended family is soon scattered far and wide. Naggars own family moves to London where she finishes her schooling and is swept into adulthood and the challenge of new horizons in America. Speaking for a different wave of immigrants whose Sephardic origins highlight the American Jewish story through an unfamiliar lens, Naggars traces her personal journey through lost worlds and difficult transitions, exotic locales and strong family values. The story resonates for all in this poignant exploration of the innocence of childhood in a world breaking apart.
