Von Dr James Kennedy : Skeptics Answered before purchasing it in order to gage whether or not it would be worth my time, and all praised Skeptics Answered:

KurzbeschreibungD. James Kennedy takes on some of the most-asked questions regarding the validity of the Christian faith in *Skeptics Answered*. In clear, unassuming language, Dr. Kennedy examines the reliability of the Bible, the nature of God, and Christian faith in the face of life's harsh realities. *Skeptics Answered* uses factual, well-reasoned arguments to affirm the faith of Christians everywhere. Ideal for both personal and group study, it makes an excellent gift for any non-believer who, as a matter of intellectual integrity, is willing to consider the clear evidence for the Christian faith.
