Von Editors of North Light Books : Sketchbook Confidential: Secrets from the private sketches of over 40 master artists before purchasing it in order to gage whether or not it would be worth my time, and all praised Sketchbook Confidential: Secrets from the private sketches of over 40 master artists:

KundenrezensionenHilfreichste Kundenrezensionen5 von 5 Kunden fanden die folgende Rezension hilfreich. Nice collectionVon Parka[[VIDEOID:mo1DQHZ47K6OU57]]Sketchbook Confidential is a collection of sketchbooks from 41 renowned artists. You can feel their inspiration and excitement for art through their art and commentary. There are sketches on abstract imagery, figure drawings, landscapes, and many more, whether imaginary or sketched plein-air. Some are quite colourfully painted I don't know if they should be called sketches. It's not all pencils and ink.Each artist only has a brief 4 pages of coverage. Good thing is you can get to sample lots of different work, and artists' websites

are included. It's a nice inspiring read. The list of artists included are: * Robert T. Barrett * Dan Beck * William Berra * Roberto (Bob) Cardinale * Erin Currier * George Allen Durkee * Douglas Fryer * Tammy Garcia * Albert Handell * William Hook * Cathy Johnson * Nancy Kozikowski * Geoffrey Laurence * Stephanie Pui-Mun Law * Bev Lee * Linda Leslie * Chuck Lukacs * Jennifer McChristian * Richard McKinley * Jeff Mellem * Ed Morgan * Art Mortimer * Claudia Nice * P.A. Nisbet * Margy O'Brien * William O'Connor * Joe Paquet * Jean Pederson * John Potter * Tony Pro * Alan Paine Radebaugh * Chuck Sabatino * Mark Spencer * Kate Starling * Aleksander Titovets * Lyuba Titovets * Joshua Tobey * Elan Varshay * Frederico Vigil * Mark White * Mark Willenbrink

If you're interested in sketchbooks, also check out *An Illustrated Life: Drawing Inspiration from the Private Sketchbooks of Artists, Illustrators and Designers*. (There are more pictures of the book on my blog. Just visit my profile for the link.)

Es sind schöne Bilder, die in diesem Buch gezeigt werden, doch sie verlieren ihren Wert durch die schlampige Edition. Das Papier ist grau, die Farben matt, und Angaben zu Entstehungsort und -zeit habe ich ebenso schmerzlich vermisst wie solche zu Format und Technik. Das Buch sieht aus, als hätte der Verlag anstelle eines Lektors einen Praktikanten an ein Layoutprogramm gesetzt: der Mangel an substantieller Information wird wettgemacht durch ein Berma an verschiedenen Schriften, Hintergründen, Schattenwürfen und was sonst noch so alles möglich, aber nicht immer nötig ist ... Ein Gegenbeispiel liebevoller Edition und ausgezeichneten Drucks wäre z.B. Campanarios "Urban Sketching" für nicht einmal zehn Euro mehr.

Kurzbeschreibung Pulsing with ideas, energy and inspiration, *Sketchbook Confidential* offers a rare peek inside the personal sketchbooks of 40+ master artists. From colorful painted sketches to spontaneous napkin doodles, from the intensely personal to the purely whimsical, most of the work here was produced quickly and never intended for public view. It is honest and immediate, fresh and fearless. In their own words, the artists share the intentions and inspirations behind their sketching. For some, it is a cherished, everyday habit - a way of wandering through the ideas in their mind, playing around with new subjects, or just having some anything-goes kind of fun. For others, sketching is a deliberate tool for problem-solving - working through a composition, capturing a moment's light or test-driving a color scheme. As you turn the pages you'll be immersed in the creative processes of these individuals, arriving on the other side with a feeling of kinship and a renewed desire to boldly capture life in your own sketchbooks!
