Von Ein Kunde
If an American was writing a book meant to be read by today's Americans, he would routinely use phrases such as "they went through a drive in" or "9 to 5" without giving it a second thought. He'd be confident that every reader would know what was meant by those words and wouldn't fill his pages with lengthy explanations of every day items. The early writers of the New Testament also assumed that the readers of their writings would know what words Christ prayed over the cup at the Last Supper, why a bunch of virgins were waiting for hours outside the bridal door and what Paul would be doing sitting around on his roof when he has the vision. However, many of us in the modern world have wondered about these "curoisities". Edersheim clears them up with his extensive research and thorough examination of the Jewish life in the time of Christ. This is the world the New Testament was originally written for and Edersheim fills in the gaps the early writers left in the "common knowledge" of the day. The book, while rich in theology, is easy and entertaining to read. It sheds light on the Bible and brings to life the scriptures. It will enlighten and enrich every Christian from the oldest scholar to the newest convert.

Kurzbeschreibung
In this volume, Rev. Alfred Edersheim transports the reader into the land of Palestine and gives them a deep look into the land of Palestine at the time of Jesus.
Table of Contents: Chapter 11. Palestine Eighteen Centuries Ago

This classic study of the cultural and social world of Jesus and his apostles has earned a place on countless shelves for more than a century, and Alfred Edersheim's widely acclaimed work on the people, the land, the history, and the religion of Jesus continues to be invaluable for students of Scripture. Now this timeless volume is available in a newly typeset, easy-to-read edition that will make studying even more enjoyable and rewarding. Added illustrations and marginal comments further improve this standard resource. Like his books *The Temple and Its Ministry* and *The Life and Times of Jesus the Messiah*, *Sketches of Jewish Social Life* reflects Edersheim's encyclopedic familiarity with ancient Jewish sources. His ability to make the Scriptures come alive in their ancient context remains unsurpassed, and every reader will feel like they've just taken a trip to the land of Jesus and his apostles.
