Von Richard Moore : Slaying the Badger: LeMond, Hinault and the Greatest Ever Tour de France before purchasing it in order to gage whether or not it would be worth my time, and all praised Slaying the Badger: LeMond,

## Hinault and the Greatest Ever Tour de France:

**Kurzbeschreibung** Greg LeMond, 'L'Americain': fresh-faced, prodigious newcomer. This is supposed to be his year. Bernard Hinault, 'The Badger': aggressive, headstrong, five-time winner of the Tour. He has pledged his unwavering support to his team mate, LeMond. The team is everything in cycling, so the world watches, stunned, as LeMond and Hinault's explosive rivalry plays out over three high-octane weeks. Slaying the Badger relives the adrenaline and agony as LeMond battles to become the first American to win the Tour, with the Badger relentlessly on the attack. Includes brand new material for the paperback. **Pressestimmen** "Excellent." (Rouleur) "Moore entertainingly unravels the complexities of the relationships within the peloton during a three-week stage race, the sort of battle in which alliances can shift from one mountain peak to another and your enemy's enemy can suddenly become your most valued friend" (Richard Williams Guardian) "From the opening pages this is a book that grips. Combining great insight, interviews and anecdotes with wonderfully vivid writing, it is thoroughly researched and well written. Like the event itself, the book is so engrossing, you don't want it to end" (Scotland on Sunday) "As a matter of some urgency, arm yourself first with Slaying the Badger by Richard Moore and immerse yourself in the epic story of the 1986 Tour and the two greatest riders of their era. ... The race and the book builds towards a gripping page turning climax which you don't want to end" (Bredan Gallagher Daily Telegraph) "A gripping narrative of this psychological and physical three-week war... It is good to be reminded that the race used to have twice-a-day stages, that helmets didn't always obscure the riders and that technology once had little place in the Tour" (Wall Street Journal) **Werbetext** Heroes and villains, spectacle and controversy, mind games and endurance - this is the 1986 Tour de France.
