KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadTooLaney Parker is a city girl in every way. She's looking forward to the summer so she can spend it at chic boutiques and parties with her friends. Little does she know, her new-age mother has a totally different plan for Laney - she's sending her to summer camp!Being sent to camp Timber Trail is bad enough,

but being there with a group of totally uncool girls who think they run the camp (and automatically take a disliking to Laney!), along with getting stuck doing group activities with the kids who are half her age, is horrible. Laney hates camp and can't see how her summer is going to be any fun. Eventually, Laney becomes friends with one of the girls in her cabin, and then finds out that someone from back home also goes to the camp. Back in the city, Ryan is the most uncool guy around, but at camp he is the hottest and most popular guy there. Laney has never been happier to see him. At the end of the summer, Laney is left wondering: Can camp cool equal real world cool? And will Ryan and Laney be able to be friends back home? You'll have to read *SLEPT AWAY* to find out! With lots of pop culture references, fun in the sun, and a slight bit of romance, this is a great read for a hot summer day! Reviewed by: Angela S.

Kurzbeschreibung Laney Parker is a city girl through and through. For her, summertime means stepping out of her itchy gray school uniform and into a season of tanning at rooftop swimming pools, brunching at sidewalk cafes, and as soon as the parents leave for the Hamptons partying at her classmates apartments. But this summer Laney's mother has other plans for Laney. It's called Camp Timber Trails and rustic doesn't even begin to describe the un-air-conditioned log cabin nightmare. Laney is way out of her element the in-crowd is anything but cool, popularity seems to be determined by swimming skills, and the activities seem more like boot camp than summer camp. Splattered with tie dye fall out, stripped of her cell, and going through Diet Coke withdrawal, Laney is barely hanging on. Being declared the biggest loser of the bunk is one thing, but when she realizes her summer crush is untouchably uncrushable in the real world, she starts to wonder, can camp cool possibly translate to cool cool? Summer camp might just turn this city girls world upside down! From the Trade Paperback edition.
