**Von Peg Kehret : Small Steps: The Year I Got Polio (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Small Steps: The Year I Got Polio (English Edition):

**Kurzbeschreibung** Almost twenty years ago, in a riveting story of courage and hope, Peg Kehret wrote of months spent in a hospital when she was twelve, first struggling to survive a severe case of polio, then slowly learning to walk again. The book deeply touched readers of all ages and received many awards and honors. This anniversary edition includes an updated and extended epilogue about the authors experiences since the original publication. It also includes twelve pages of new photos and a lengthy section about polio, past and present.
