**Von Angie Stanton : Snapshot (The Jamieson Collection Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Snapshot (The Jamieson Collection Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Difficult themes, but not as intense as the first bookVon MagritteThis is the second book about the Jamison Brothers.The collection is composed of:- Rock and a Hard Place- Snapshot (The Jamieson Collection)The story is about Adam, the youngest boy of the three Jamison brothers, the guitarist of the famous rock band.He is 16 and his live has only been revolving around the band for years. So when he finally manages to have two weeks off to go to a photography camp he fully intends to enjoy his freedom, anonymously.Marti is also 16 and goes to the same camp. Her father is a rock legend and she does not want anything to do with his world.So when to two meet and fall in love things become more

complicate than a simple love story. And when they finally overcome her fears, death and distance turn everything around again. The story is a nice read. I however sometimes had the feeling that it is simply too long. Marti's life become's very intense and would probably have suffered more with her if I wouldn't have read the first book which was so much more intense! What shocked me somehow is the irresponsibility of the two main characters. To have unprotected sex in the year 2012 seems crazy especially for some 16 year old, as well as to jump from a building. Anyway the read is fast and nice but not as good as it could be. I am curious about the next one, if there is one about the last brother, especially because I really don't like him. I'm curious if Mrs. Stanton will be able to make him likable. Enjoy the read MBTM

Kurzbeschreibung "Angie Stanton's Snapshot is a gorgeous read that plunged me right in the middle of delicious summer romance. I fell in love right alongside spicy Marti and laid-back Adam, and rooted for them from the beginning to the end. This book is the perfect mix of drama, hilarity, and romance that will satisfy you long after the last page!" ~ Liz Reinhardt, Bestselling Author "Snapshot is an endearing story of two teens trying to experience normalcy in their celebrity-filled upbringing. They embark on a beautiful journey as they discover friendship, heartache, and learn to trust in the power of first love." ~ Tina Reber, New York Times Bestselling Author This is book two in the Jamieson Collection. Rock and a Hard Place is book one. Marti Hunter hates rockers and anything remotely related to the rock-and-roll lifestyle. She thought she'd left that all behind, along with her drug-addicted mother and absent-minded, rock legend father. Now she lives with her grandmother, and Marti's life is finally normal. Just the way she likes it. For Adam Jamieson, normal is not possible. He is the genius guitar player of the band Jamieson. He's ecstatic to finally get a two-week break from his micromanaged life and a chance to hang with regular teens. Adam's shaving off his trademark curls and going undercover. But when Marti, the reluctant rock princess, and Adam, the undercover guitar wizard, meet, sparks fly in more ways than one. They spend their time alternating between making out and driving each other crazy. But their summer adventures of skinny dipping, storm watching, and stolen kisses are brought to a halt when tragedy strikes. Suddenly, they're on opposite sides of the country, just when they need each other the most. Can Marti survive life with her dad and his vicious girlfriend? Will Adam get so fed up with his over-managed life and controlling parents that he quits the band? Snapshot. A moment in time that changes two people forever. Will Adam get so fed up with his over-managed life and controlling parents that he quits the band? Snapshot. A moment in time that changes two people forever. Buchrckseite One kiss will change Marti's summer . . . forever. Marti Marti just wants a normal life. After dealing with her irresponsible rock-legend father and absentee mother, she only wants some peace . . . and fun. And that includes a summer at an exclusive arts camp. Adam For Adam, a normal life is not possible not when he is the lead guitarist in a rock band with his brothers. So he's thrilled to finally have an opportunity to disguise himself and live like a normal teenager at summer camp. And when Adam meets Marti, sparks fly. Between romantic bonfires and stolen kisses, they are inseparable. Then Marti discovers who Adam truly is, and her world is turned upside down. Ever since her father nearly ruined her life, she vowed never to fall for a rocker. But when tragedy strikes, Marti is forced to look within. And she discovers that maybe falling in love with a rock star is not so crazy after all.
