Von Maj Lindman : Snipp, Snapp, Snurr and the Buttered Bread (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Snipp, Snapp, Snurr and the Buttered Bread (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. An enchanting story that reminds us where milk comes from.Von Ein KundeI first discovered the Snipp, Snapp, and Snurr books when I was a little girl back in the early '60s. Though they were written in the '30s, my six-year-old is as charmed by the three little Swedish boys and their adventures as I was many years ago. This particular story tells how the boys, hungry for a snack, are disappointed that there is no butter for their bread. Their mother sends them for a pail of fresh milk from a neighbor, intending to cream it to make butter. But the boys are disappointed again when Aunt Annie tells them her cow, Blossom, has not been giving any milk lately. Snipp, Snapp, and Snurr cannot coax even a few drops from the gentle cow. Her keeper, Uncle Freddy, tells them she is tired of eating dry hay and is longing for fresh, green grass, but a stretch of gray weather has kept the grass from growing. Undaunted, Snipp, Snapp, and Snurr

look for a solution. By the time they are rewarded with slices of bread with homemade butter, the reader has learned how cows transform grass into milk and how people transform the milk into butter. I read this tale to my son's class recently and ended the reading by helping the children make butter by agitating whipping cream in a jar. As the yellow butter began to form, one little boy exclaimed, "It's magic!" Maj Lindman's story is magic, too.0 von 0 Kunden fanden die folgende Rezension hilfreich. Fun from my childhoodVon CustomerIt was so fun to re-read this book. At first my children scoffed, but then they, too, were taken in by the magic of Snipp, Snapp and Snurr, the unfortunately named triplets. It's all about hard work! Love it.

KurzbeschreibungSnipp, Snapp, and Snurr want butter for their bread. But Mother cant make butter without milk. Aunt Annies cow, Blossom, cant make milk without good grass to eat, and the grass wont grow without the sun to shine on it. And that means all the ingredients for a classic cumulative adventure are here.
